PROFILE SUMMARY

I'm a highly enthusiastic and social individual, always on the lookout for new experiences that help me grow personally and professionally. This opportunity feels like the perfect addition to my ever-growing bucket list. I see this as an incredible chance to not only explore my interests further but also to sharpen my skills, gain hands-on experience, and contribute meaningfully. I'm excited to embrace this journey, learn from it, and make the most of every moment.

HACKATHON & PROJECT EXPERIENCE

BIT N BUILD

2024

First time experience in a hackathon. Ideated a Digital Inventory Management System helps local store owners efficiently manage stock, reduce inventory issues, and make data-driven decisions to improve operations and boost business performance.
